Response to Amendment

1. The amendment received on April 17, 2006 has been entered in full.

2. Applicant's amendments to the claims as presented in the amendment filed have been fully

considered and are persuasive. Therefore, prior art rejections on the respective claims have been

withdrawn.

Allowable Subject Matter

Reasons of Allowance:

3. Claims 5-13 (renumbered as 1-9) are allowed.

The following is an examiner's statement of reasons of allowance:

The reasons of allowance for claims 5-13 should be evident from the previous office

action mailed on October 18, 2005. Claims 5, 8, 11 and 12 were objected to in the previous office

action mailed on October 18, 2005, such that if written in independent form would be allowable.

The amendment filed on April 17, 2006 recites the claims 5, 8, 11 and 12 in independent form and

are therefore allowed. All other claims depending on claims 5, 8, 11 and 12 are allowable at least by

dependency on claims 5, 8, 11 and 12.

Any comments considered necessary by applicant must be submitted no later than the

payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.
